Dear Mr. Dhanusha Soysa,

Recently ASHRAE Sri Lankan Chapter requested your financial contributions to construct two new toilets, through a CSR project to Ethiliwewa Chandrawimala primary school located in Moneragala, which had minimum sanitary facilities. We write to inform you that the project was successfully completed due to your noble gestures. The pictures indicate the chapter members handing over the new construction to the Principal of the College. In addition a 32 inch LCD TV and a few musical instruments for the use of the children were donated.

ASHRAE founded in 1894 is a global society advancing the art and sciences of heating, ventilation, air conditioning and refrigeration to serve humanity and promote a sustainable world. It has more than 53,000 members from over 132 countries.

Please accept our sincere 'Thank you' for your contribution.

ASHRAE 171 Chapter BOG and the Committee 2013
